ALLEGED VIOLATIONS

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation No.</u>	<u>Nature of Noncompliance</u>
-----------------------------	---------------------------------------

- | | |
|------------------|---|
| <u>1.</u> | <u>The defendant shall refrain from excessive use of alcohol and shall not purchase, possess, use, distribute, or administer any controlled substance.</u> |
|------------------|---|

Mr. Cauley submitted urine screens on August 27, 2012, and September 4, 2012, which tested positive for marijuana. The positive urine screens were confirmed by Alere Laboratory.

Compliance with Supervision Conditions and Prior Interventions:

A probation petition, document number 49, was submitted to Your Honor on July 2, 2012, informing the Court of three possible violations committed by Mr. Cauley. The petition included positive drug screens, and two law violations for assault/offensive or provocative contact and driving on a revoked license. On September 6, 2012, the assault charge was retired. The next court date for the driving on revoked license is November 6, 2012.

Mr. Cauley admitted to smoking marijuana during the time he submitted urine screens on August 27, 2012, and September 4, 2012. He was strongly reprimanded for his actions and informed that this behavior could lead to the revocation of his supervised release.

The offender is still attending outpatient substance abuse counseling at The Guidance Center in Murfreesboro, Tennessee.

U.S. Probation Officer Recommendation:

The probation office is requesting that no action be taken by the Court at this time to allow Mr. Cauley to continue receiving drug treatment and counseling. However, the probation office respectfully recommends that the Court hold the violation in abeyance.
